OUR OWN WEBSITE

Design will be billed by Marie Claret Marketing and hosting by The Business Organisation Ltd (Registered in England - Regd. No. 0237 1977).

VAT at the prevailing rate will be charged for the hosting. Design is VAT-free.

Once you have approved your website's design, we will invoice you for the design (a one-off payment) and hosting (payable annually in advance).

Payments are to be made within 28 days. We understand and will exercise our statutory right to interest and compensation for debt recovery costs under the Late Payment legislation if we are not paid according to agreed credit terms. If payment is not made within 28 days then we may also withdraw any web pages and hosting that we have provided.

We prefer payments to be made by Electronic banking. Cheque payments will be subject to a processing charge of £2 + VAT to cover our additional costs.

Hosting storage and bandwidth amounts include any POP email accounts, databases, back-ups and log files etc. Should you consistently exceed your monthly bandwidth quota, you will have to move to a higher level package. We will then invoice you for the difference in prices, pro-rata for the remainder of the hosting year.

Effective from January 2012
